TEACHING TYPING SKILLS SINCE 1995

As an 'inclusive' company, our aim is to supply products that are suitable for all. All our download files now include our unique ©preference screen which minimises visual disturbances.

Home edition - Holiday time again! Use this valuable time of year preparing your kids (and yourself) for the year ahead by learning a 'life skill'. Our typing course is fun, simple to use, breaks down into modules and is proven. Our Family Edition offers 5 licenses for the price of 3. All our software includes both UK and US/North American options (spoken instruction, vocabulary and keyboards) and is available either online via our servers or as a download. Access KAZ via your laptop, desktop or even your tablet*!

**We always recommend using a keypad or a docking station with tablets but most importantly always practise good posture!*

Schools & FE /HE - We are proud to announce that as well as being full members of BESA, we are now full members of NAACE. Membership of BESA is the gold standard for all British education suppliers and assures users that the holder is a trusted supplier. NAACE are a community of educators, thought leaders and curriculum experts who are committed to supporting the effective use of education technology within schools. We believe that in today's world of technology, all students should be taught to type. Our education licences caters for all, allowing the whole class to learn together. Pricing starts from just **.80** pence/cents per student per annum!

To order, please visit our website or email us: enquiries@kaz-type.com

We offer 30 days payment terms and a free 14 day trial.

Find out why so many schools use and trust KAZ.

Tournament results coming soon...

The winners of the KAZ Touch Typing tournament 2020 will be announced shortly but why not enrol your school and get ready for the next tournament which starts in September.

ASSURED

Business - KAZ's Business edition has proven to increase the efficiency and productivity of staff, a fundamental yet essential skill that is often overlooked in training. We are one of the very few courses that can actually provide and prove a Return on Investment (ROI) - see the FREE ROI calculator on our website. Just take a free typing test (see main page of our website), insert the figures and see the results for yourself. Teach, equip your staff and build on their skill set. Our course is now CPD/CE accredited, giving added assurance as well as peace of mind. Our clients realise the effectiveness of learning this skill. It's one of the cheapest on the marketplace and one that really does 'make a difference'. Also available in SCORM 1.2 for LMS. Contact: sales@kaz-type.com

DSA/NMH/Access to Work - The positive responses and feedback from assessors, teachers and trainers have confirmed that KAZ is making a huge difference. Our neurodiverse SEN/Dyslexia edition has been proven to not only benefit dyslexic individuals but also individuals with Dyspraxia, Dysgraphia, ADHD, ASD, Tourette's, amongst others. This edition addresses visual disturbances by means of our © preference screen, tailoring the course to the user for maximum visibility comfort, whilst equipping them with a 'life skill', promoting self confidence.

We would like to thank all the OT's and Assessors who have already contacted us and are now using and recommending KAZ. Assessors please contact us for licenses, webinars or for booking CPD sessions, either directly via the DSA tab on our website, email: sheraleen@kaz-type.com or via the DSA reseller network.

Lastly, we have compiled a few blogs which we hope are informative, inspiring and encourage you to brush up on your touch type skills.
